Tagging Directions:

1. We will sell **like-new, clean** children's and teen's clothes, children's toys, books, movies, equipment and furniture and maternity clothes. **Clothes with visible wear, spots, stains, or tears will not be accepted.**
2. All clothes must be on hangers with tags securely attached. Clothing must be tagged with white string type tags 1" by 1.5" or larger fastened with safety pins. **Please do not use smaller tags.** Do not tape down the tags to bags, books, games, etc. Tags are usually available at Staples. With the hanger facing you, pin the tag in the left armpit of the garment (to your right as you face it). For pants, please attach the tag to the front left edge of the waistband and **pin pants to the top part** of the hanger using two safety pins.
3. Please write clearly and legibly. **The front of each tag should include your personal code at the top and the price. Use #, \$ or size in front of your numbers** so that they can be differentiated.
4. On the back of the tag, write the clothing size and a detailed description of the item. Be as precise as possible with descriptions so we can reunite tags with items if they become separated. For example, use "blue/white striped shirt" instead of "shirt". We cannot be responsible for lost items or lost tags. Items with missing tags or code will be sold to benefit the church. Tags that have no price will be given our best consideration.
5. Please put multi-part items in plastic zip-lock bags with the **tag taped by its string** to the outside of the bag. Make sure to secure all loose parts on toys. **Do not write pricing information on the bag.**
6. Price your items in 50¢ increments and at least 50¢ each. **Do not price anything for 25¢ or 75¢.** (Such items will be rounded down to the nearest \$ or ½\$) If you have small items, group in a clear bag with similar items and increase the price. **Do not tape down the paper part of the tag to the bag.**
7. Please attach all shoes together. We will review all shoes for cleanliness before putting them on the sales floor.
8. Please limit the number of stuffed animals to your very best.
